*English rendering of the Hindi class transcript. Names/figures that were garbled in the auto-generated transcript are marked **[unclear]** or **[as heard]** rather than guessed. Answer options were on screen (not in the transcript), so Part B gives question → correct answer.*

PART A — TOPIC-WISE NOTES WITH QUICK REVISION

1. Nepal Floods — Budhi Gandaki River

- **Budhi Gandaki River** caused heavy floods in **Gorkha district, Nepal** (glacier melt + heavy rain); **6 bridges** were completely broken. Nepal PM (**Balan Shah** [as heard]) deployed **army, navy and air force** for relief. Earlier too India (not China) provided help — India may send aid again.
- **Origin:** slopes of **Manaslu** (Himalaya) → joins **Trishuli River** → a **tributary of Narayani (Gandak)** → Gandak finally joins the **Ganga** (so Indian states downstream are affected).
- Other Nepal rivers: **Arun, Koshi, Kali, Gandak (= Narayani)**.
- **Nepal:** landlocked, Himalayan; capital **Kathmandu**; **SAARC headquarters**. Indian states sharing border: **Uttarakhand, UP, Bihar, Sikkim, West Bengal**. India–Nepal exercise: **Surya Kiran**.
- Also: a **7.7 magnitude earthquake** struck **Panama**.

⚡ **QUICK REVISION**

› Nepal flood river → Budhi Gandaki (Gorkha) | origin Manaslu → Trishuli → Narayani/Gandak → Ganga

› Nepal borders 5 Indian states: UK, UP, Bihar, Sikkim, WB | Exercise Surya Kiran | SAARC HQ Kathmandu

2. Economy, Reports & Bilateral Projects

- **UNCTAD — Trade and Development Report** (data 2020–2025; first edition **1981**): shows how trade affects a country's development. **US–China trade is declining globally**; **South Asian countries are promoting trade strongly**. **India is No. 1 in greenfield investment** — up **7%**; India's share is about **double China's**. Figures as heard: Asia excluding China **59%** [unclear], China **2.8%**, India **5.7%**. India invests in **AI, semiconductors and energy transition**. (Teacher said UNCTAD is a USA organisation — [as stated; commonly described as a UN body, Geneva — verify].)
- **Greenfield investment** = building something entirely new on empty land (e.g., a new airport/hospital), not buying existing assets.
- **Travel & Tourism report** (data): released by the **World Economic Forum**.
- **Adani Power + Bhutan's Druk Green Power Corporation: 770 MW hydro project, Chamkharchhu** (project and river share the name). Stake: **Adani 49% : Druk 51%**. Built on **BOOT** (Build–Own–Operate–Transfer) model; to be completed in about **6 years**. Earlier joint project: **Wangchhu** (also Adani). Druk Award is from Bhutan.
- **Bhutan:** 'Land of the **Thunder Dragon**', capital **Thimphu**, **Happiness Index**, **carbon neutral** (carbon level 'zero'), huge hydro-power; borders **Sikkim, West Bengal, Arunachal Pradesh, Assam**.
- **I2U2** (West Asia group, 'Western Quad'): **India, Israel, UAE, USA** — 4 countries.

⚡ **QUICK REVISION**

› UNCTAD TDR → India top in greenfield investment (+7%) | US–China trade falling, South Asia rising
