

ASIAN GAMES 2026 – AICHI-NAGOYA

Complete Exam Notes for RPSC / RAS Pre / CT / VDO / Teacher Associate & other Rajasthan exams
(Full English notes prepared from the State Academy class lecture – no information omitted)

How to use these notes: Headings on a black bar are the most important sections. **Grey highlighted text** marks the facts most likely to be asked in exams. Facts stated by the teacher as "possible exam questions" are collected again in the Practice Questions section.

1. WHY THIS TOPIC MATTERS FOR EXAMS

- The teacher welcomes students to the **State Academy** platform and says questions on **Asian Games 2026** can come in the **RPSC exams**: **RAS Pre**, **CT paper**, the upcoming **VDO paper** (spoken as "video" in the lecture), and all the other upcoming Rajasthan exams, including the **Teacher Associate** paper.
- From Asian Games, about **two questions** can appear in the Teacher Associate paper.
- The topic must be studied well, and the likely questions will be discussed and solved at the end of the class.
- This is called an **important class**; the teacher says a question from here will "definitely" come in RAS Pre. Students are asked to share the class with friends.
- The PDF of this class will be uploaded on the **State Academy Telegram channel**. Print it, read it carefully and solve the questions. Comment in the comment box while studying.

2. GEOGRAPHY OF JAPAN (WORLD GEOGRAPHY LINK)

Asian Games 2026 were held in JAPAN – in AICHI Prefecture, with NAGOYA as the main city.

Location must be known because a **World Geography** question can be built from it (e.g. arranging Japan's four islands in sequence). Exam-wise, all the geographical information about Japan must be available to you. Current Affairs is often linked with a map in the exam.

The four main islands of Japan (shown on the map)

North → South order	Island	Remarks from the lecture
1	Hokkaido	Northernmost island
2	Honshu	The long island in the middle (the biggest/central one). Aichi and Nagoya are located here.
3	Shikoku	The third, small island
4	Kyushu	Southernmost of the four

- A question may ask you to arrange the islands **North to South** or **South to North** – remember: Hokkaido → Honshu → Shikoku → Kyushu.

- Possible question: a person went to play at the Asian Games whose host cities were **Aichi and Nagoya** – "On which island of Japan is this located?" Answer: **Honshu Island**.
- **Nagoya** is on Honshu, and the **Aichi** city/prefecture is near it.
- A **biodiversity agreement** is also associated with Aichi. So, under World Geography → **Environmental Issues**, questions can also be asked from here.

Seas around Japan (remember the map)

Direction / side	Sea / Ocean
West side	Sea of Japan
North side	Sea of Okhotsk (spoken as "Okot")
East side	Pacific Ocean
South-east side	Philippine Sea
South-west side	East China Sea (Eastern China Sea) and the Yellow Sea are situated here

3. ASIAN GAMES 2026 – BASIC FACTS

Particular	Details
Official name	20th Asian Games – Aichi-Nagoya 2026
Edition	20th edition
Host country	Japan
Host region	Aichi Prefecture and Nagoya
Main host city	Aichi-Nagoya city
Dates	19 September 2026 to 4 October 2026 (dates can be asked)
Number of sports	43 (India participated in 36 sports)
Medal events	469
Participating NOCs	45 (National Olympic Committees – "45 countries participated")
Official mascot	Honohon
Official motto / slogan	"Imagine One Asia" – i.e. imagining one Asia (written in the lecture as "Image One Asia")
Closing ceremony	4 October 2026

India's flag-bearers

Ceremony	Flag-bearer(s)	Sport
Opening ceremony	Manu Bhaker (star shooter)	Shooting
	Pawan Sehrawat	Kabaddi

Closing ceremony	Neeru Dhanda (Indian shooter; chosen as India's women's flag-bearer)	Shooting (Trap)
------------------	--	-----------------

- At the last moment, **Tajinderpal Singh Toor** (spoken as "Tajvendra Singh Toor") was **replaced by Pawan Sehrawat** as the opening-ceremony flag-bearer.
- The teacher says the sports of the flag-bearers can also be asked: Manu Bhaker – Shooting; Pawan Sehrawat – Kabaddi.
- **Neeru Dhanda** was made the closing-ceremony flag-bearer after winning **2 Gold and 1 Silver medal** (3 medals in total) in shooting:
 - Women's Trap (individual) – **Gold**
 - Mixed Trap Team – **Gold**
 - Women's Trap Team – **Silver**

Japan's hosting history of the Asian Games

Japan has hosted the Asian Games **THREE** times.

Year	Host city in Japan
1958	Tokyo
1994	Hiroshima
2026	Aichi-Nagoya

Questions can ask "how many times" Japan has hosted and "when / where" each time.

4. FINAL MEDAL TABLE – TOP 10 COUNTRIES

At least the first five must be known. The teacher warns that RPSC may make the question tougher by starting the sequence from the middle (for example, ranks 4, 5, 6, 7), since everyone prepares only up to the top five. Therefore learn all ten in order.

Rank	Country	Notes from the lecture
1	China	Total 341 medals, including 169 Gold – the most medals of any country
2	Japan	Host country
3	South Korea	(Japan is 2nd, <u>not</u> 3rd)
4	India	85 medals: 21 Gold, 27 Silver, 37 Bronze
5	Uzbekistan	Also 21 Gold, but fewer Silver than India (25 Silver, as stated in the lecture)
6	Iran	
7	Thailand	
8	Kazakhstan	
9	Hong Kong	
10	Bahrain	

Reverse sequence (10 → 1): Bahrain, Hong Kong, Kazakhstan, Thailand, Iran, Uzbekistan, India, South Korea, Japan, China.

Sequence trick: after India comes Uzbekistan; after Uzbekistan comes Iran; then Thailand; then Kazakhstan; then Hong Kong; then Bahrain.

Why India is 4th and Uzbekistan 5th

Both India and Uzbekistan won **21 Gold medals**. The rank is decided by Gold first, then Silver. India has **27 Silver** while Uzbekistan has **25 Silver** (as stated in the lecture), so **India ranked 4th and Uzbekistan went to 5th**. A question like "With which country did India tie on Gold but finished ahead due to more Silver medals?" → **Uzbekistan**.

5. INDIA'S PERFORMANCE AT ASIAN GAMES 2026

Medal tally (G-S-B-T)

G (Gold)	S (Silver)	B (Bronze)	T (Total)	Position
21	27	37	85	4th

Memory trick: put **G** after 21, **S** after 27, **B** after 37, and **T** (Total) after 85. A question can ask the G-S-B sequence. Order: 21 → 27 → 37 → total 85.

- India finished 4th with **85 medals** – **21 Gold, 27 Silver, 37 Bronze**.
- India's gold count (21) equals Uzbekistan's gold count (21).
- This was India's **second-best ever** medal campaign at the Asian Games – behind only **Hangzhou 2023**.
- Previous best – Hangzhou 2023:** India won **106 medals including 28 Gold** (the lecture also says "108" once in passing; the figure given, "100 ... six medals, 28 gold", means 106). This time: 21 Gold and 85 medals in total.
- Both men and women athletes won **38 medals each**, and India also won medals as teams (as stated in the lecture).
- The complete list of all 85 Indian medallists (athlete, sport, event) is given in the class PDF (7–8 pages) – study it from the Telegram PDF.

India's contingent

- Size of India's contingent (as stated): **1053 members**; the lecture also mentions **503 members** comprising athletes and support staff, and that **300 athletes participated in the Asian Games for the first time** (numbers as spoken; verify from the PDF).
- Youngest athlete:** cricketer **Vaibhav Suryavanshi** – **15 years 5 months** (transcribed in the lecture as "Vebh / Vibhu Suryavanshi").
- Oldest athlete:** equestrian (horse rider) **Shruti Bora** – **55 years**.

6. SPORT-WISE MEDALS OF INDIA

Most Gold: ARCHERY (5) | Most total medals: ATHLETICS (24)

Top three sports by total medals

Rank	Sport	Total medals	Details
1	Athletics	24	1 Gold, 9 Silver, 14 Bronze
2	Shooting	15	3 Gold
3	Archery	9	5 Gold

Gold medals by sport

Sport	Gold medals
Archery	5 (the most Gold)
Shooting	3
Boxing	3
Wrestling	2 (as stated for matching questions)
Athletics	1

- **Most Gold:** Archery – 5. Then Shooting 3 and Boxing 3. Athletics only 1 Gold.
- **Most total medals:** Athletics – **24 medals** (1 Gold + 9 Silver + 14 Bronze).
- Questions can ask the sport order by total medals (Athletics → Shooting → Archery) or by Gold. Both orders should be remembered. The class's solved question states: most medals in the sport that won only one Gold → Athletics.
- Shooting is 2nd in total medals; Archery is 1st in Gold medals. Total medals recap: 85 = 21 G + 27 S + 37 B.

7. INDIAN TEAMS THAT WON GOLD

Cricket (T20 format) – both teams won Gold

	Women's team	Men's team
Captain	Harmanpreet Kaur	Shreyas Iyer (Tilak Varma was vice-captain)
Format	T20	T20
Final opponent	Sri Lanka	Pakistan
Scores	India 216/3; Sri Lanka all out for 69	India 211/6; Pakistan 192/6
Margin	Won by 147 runs	Won by 19 runs
Medal	Gold	Gold

Men beat **Pakistan**; women beat **Sri Lanka**. Remember this carefully.

Kabaddi – both teams won Gold, both beat Iran

	Women's team	Men's team
Captain	Ritu Negi	Sunil Kumar

Final opponent	Iran (India's arch-rival team)	Iran
Score	India won 37–34	India won 29–24
Medal	Gold	Gold

Since both the men's and women's teams beat only Iran, the teacher says **this is the most likely area for a question** (Kabaddi). A similar question was asked earlier in an IAS/UPSC Prelims paper (as mentioned by the teacher); there India had beaten **Nepal**, and the data was changed this time.

Hockey – both teams won Gold

	Women's team	Men's team
Captain	Salima Tete (written "Salima Tet/Tes")	Harmanpreet Singh
Final opponent	China	Malaysia
Score	India won 1–0	India won 5–1
Medal	Gold	Gold

In Cricket, Hockey and Kabaddi, India won ONLY Gold medals in both the men's and women's events.

8. ATHLETES WHO WON THREE MEDALS EACH

Five athletes won three medals each (a table of these players is in the PDF; the exam may ask which of the listed players did / did not win three medals). The three medals may be any combination of Gold, Silver and Bronze.

Athlete	Sport	Medals	Event-wise details
Kumkum Mohod (written "Kumkum Mahod")	Archery	2 Gold, 1 Silver	Women's Recurve Team – Gold; Women's Recurve Individual – Gold; Mixed Recurve Team – Silver
Neeru Dhanda	Shooting (Trap)	2 Gold, 1 Silver	Women's Trap – Gold; Mixed Trap Team – Gold; Women's Trap Team – Silver
Gulveer Singh	Athletics	2 Silver, 1 Bronze	10,000 m – Silver; 1500 m – Silver; 5000 m – Bronze
Rudrakksh Patil	Shooting	2 Silver, 1 Bronze	10 m Air Rifle Team – Silver; 50 m Rifle 3 Positions Team – Silver; 10 m Air Rifle Individual – Bronze
Vithya Ramraj	Athletics	1 Gold, 1 Silver, 1 Bronze	Women's 4×400 m Relay – Gold; Mixed 4×400 m Relay – Silver; 400 m Hurdles – Bronze

Questions can be: "Which of the following athletes did not win three medals?" or match players with their sports/events. The teacher also says a list of **double-medal winners** (two medals each) is given in the PDF, with every athlete's name – read it carefully.

9. RAJASTHAN AT ASIAN GAMES 2026

8 Rajasthan athletes participated – 4 won medals.

All eight Rajasthan participants

#	Athlete	Sport / event	Result
1	Ravi Bishnoi	Cricket (men's team)	Gold medal (Indian men's cricket team)
2	Anantjeet Singh Naruka	Shooting – Skeet (Mixed Skeet Team)	Bronze medal
3	Maheshwari Chauhan (from Jalore)	Shooting – Women's Skeet Team	Bronze medal
4	Yashveer Singh	Athletics – Javelin throw	Silver medal
5	Akash Bhardwaj	Shooting	No medal
6	Praveen Kumar	Athletics – Hammer throw	No medal
7	Babulal Yadav	Rowing	No medal
8	Zakir Khan	Rowing	No medal

- **Ravi Bishnoi** – part of the Indian men's cricket team → **Gold**.
- **Anantjeet Singh Naruka** – Skeet (Mixed team) → **Bronze**. (The teacher notes RPSC has asked about the Skeet event earlier.)
- **Maheshwari Chauhan** (Jalore) – Women's Skeet Team → **Bronze**.
- **Yashveer Singh** – Javelin throw → **Silver**. He is the same Yashveer who works as a **Railway TT** (ticket examiner).
- Both **Anantjeet Singh Naruka** and **Maheshwari Chauhan** had also participated in the **Paris Olympics** but did not win a medal there.
- **Quick recall:** Ravi Bishnoi – Gold; Naruka and Maheshwari Chauhan – Bronze; Yashveer Singh – Silver.

10. PRACTICE QUESTIONS WITH ANSWERS (SOLVED IN CLASS)

The teacher solved these questions to prepare students for the exam. Each question is given in English with the answer and explanation.

Q1 About the 20th Asian Games: (1) It was held in Aichi Prefecture, Nagoya city, Japan. (2) Its motto is "Imagine One Asia". (3) At the opening ceremony the Indian contingent's flag-bearers were Manu Bhaker and Pawan Sehrawat. Which statements are correct?

Answer: D – all three statements are correct.

Q2 What is the official mascot of the Asian Games 2026? Options included Miraitowa, Honohon, Chan Chan, etc.

Answer: B – Honohon.

Q3 Regarding India's flag-bearers: Statement 1 – shooter Manu Bhaker and kabaddi player Pawan Sehrawat were flag-bearers at the opening ceremony. Statement 2 – shooter Neeru Dhanda, who won three medals including two Gold, was chosen as India's women's flag-bearer for the closing ceremony.

Answer: C – both Statement 1 and Statement 2 are correct.

Q4 Who was chosen as India's flag-bearer at the closing ceremony of the Aichi-Nagoya Asian Games?

Answer: Neeru Dhanda (sport: Shooting).

Q5 Final medal table of Asian Games 2026: (1) China is on top with 169 Gold medals. (2) Host country Japan is 3rd in the table. (3) India is 4th with 85 medals including 21 Gold.

Answer: Statements 1 and 3 are correct; Statement 2 is wrong (Japan was 2nd; the 3rd place was South Korea).

Remember the full sequence: 1 China, 2 Japan, 3 South Korea, 4 India, 5 Uzbekistan, 6 Iran, 7 Thailand, 8 Kazakhstan, 9 Hong Kong, 10 Bahrain.

Q6 India won 21 Gold at the 2026 Asian Games and took 4th place. Which country, with an equal number of Gold medals, did India overtake on the basis of more Silver medals?

Answer: Uzbekistan (21 Gold each; India 27 Silver vs Uzbekistan 25 Silver as stated).

Q7 In which sport did India win the most medals, although it contained only one Gold medal?

Answer: Athletics (24 medals; 1 Gold).

Order by total medals: Athletics 24 → Shooting 15 → Archery 9.

Q8 Matching question: List I – sports; List II – number of Gold medals at the Asian Games (Archery, Shooting, Wrestling, Athletics).

Key facts to answer: Archery – 5 Gold (the highest); Shooting – 3 Gold; Wrestling – 2; Athletics – 1 Gold.

The teacher uses elimination: since archery has the most Gold (5), options with a different archery number are removed, leaving a 50–50 choice; then shooting's 3 Gold removes another option.

Q9 India's sport-wise medals at Asian Games 2026: (1) India won the most Gold in Archery – 5. (2) India won the most total medals in Athletics – 24. (3) In Cricket, Hockey and Kabaddi, both men's and women's events, India won only Gold medals.

Answer: D – all three statements are correct.

Q10 Correct sequence of countries in the medal table (list of countries matched to ranks).

Answer: China, Japan, South Korea, India, Uzbekistan, Iran, Thailand, Kazakhstan, Hong Kong, Bahrain.

Q11 Indian cricket team at the Asian Games: India won Gold in both the men's and women's T20 events; the women's team, captained by Harmanpreet Kaur, won the final by 147 runs; the men's team, captained by Shreyas Iyer, won by 19 runs.

Answer: D – all statements are correct.

Q12 Who was the captain of the Indian men's cricket team?

Answer: Shreyas Iyer.

The teacher says this type of question (a captain's name, with the data changed) was asked in an IAS/UPSC prelims in a previous year (as mentioned in the lecture) and could be repeated in the same style.

Q13 Kabaddi at Aichi-Nagoya: (1) Both teams beat Iran in the final. (2) The women's team beat Iran 37–34 (as given in the question, with modified data). (3) The men's team beat Iran 29–24 (as given in the question).

Answer: Only statement 1 is correct (the question's scores/details were altered; the teacher marks statements 2 and 3 as wrong).

Correct facts: both teams beat **Iran**; women 37–34 (captain Ritu Negi); men 29–24 (captain Sunil Kumar). The question was built by changing the data. In the earlier UPSC question the opponent had been Nepal.

Q14 Hockey: Both teams won Gold. The Indian women's captain was Salima Tete and the team beat China 1–0; the men's team beat Malaysia 5–1.

Answer: All statements are correct (the teacher says "all three").

Q15 Three-medal winners: Kumkum Mohod, Rudrakksh Patil, Neeru Dhanda and Vithya Ramraj matched with their sport/event.

Answer: A.

Correct matching: Kumkum – Recurve Archery; Rudrakksh Patil – 10 m Air Rifle (Shooting); Neeru Dhanda – Trap Shooting; Vithya – 400 m Hurdles and Relay (Athletics).

Q16 Rajasthan athletes at the Asian Games – pairs given: (1) Ravi Bishnoi – Indian men's cricket team – Gold; (2) Anantjeet Singh Naruka – Shooting, men's/mixed Skeet team – Bronze; (3) Maheshwari Chauhan – Shooting, women's Skeet team – Bronze; (4) Yashveer Singh – Javelin throw – Silver.

Answer: All of the above (all pairs are correct).

11. ONE-PAGE REVISION SUMMARY

- **20th Asian Games**, Japan, **Aichi Prefecture – Nagoya** (island: Honshu), **19 Sept – 4 Oct 2026**.
- **43 sports** (India in 36); **469 medal events**; **45 NOCs**.
- Mascot: **Honohon**. Motto: **Imagine One Asia**.
- Flag-bearers – Opening: **Manu Bhaker** (shooting) & **Pawan Sehrawat** (kabaddi; replaced Tajinderpal Singh Toor). Closing: **Neeru Dhanda** (trap shooting; 2 Gold + 1 Silver).
- Japan hosted: **1958 Tokyo**; **1994 Hiroshima**; **2026 Aichi-Nagoya**.
- Medal table: China (341 total, 169 Gold) → Japan → South Korea → India → Uzbekistan → Iran → Thailand → Kazakhstan → Hong Kong → Bahrain.
- India: **21 G + 27 S + 37 B = 85**, 4th; 2nd-best ever (Hangzhou 2023: 106 medals, 28 Gold).
- Youngest: **Vaibhav Suryavanshi** (cricket, 15 yrs 5 months). Oldest: **Shruti Bora** (equestrian, 55 yrs).
- Most Gold: **Archery (5)**; Shooting 3; Boxing 3; Athletics 1. Most medals: **Athletics 24**, Shooting 15, Archery 9.
- Cricket T20: women (Harmanpreet Kaur) beat **Sri Lanka** by 147 runs (216/3 vs 69 all out); men (Shreyas Iyer; Tilak Varma vice-captain) beat **Pakistan** by 19 runs (211/6 vs 192/6).
- Kabaddi: women (Ritu Negi) 37–34 and men (Sunil Kumar) 29–24, both vs **Iran**.
- Hockey: women (Salima Tete) beat **China** 1–0; men (Harmanpreet Singh) beat **Malaysia** 5–1.
- Three-medal athletes: Kumkum Mohod, Neeru Dhanda, Gulveer Singh, Rudrakksh Patil, Vithya Ramraj.
- Rajasthan: 8 participants, 4 medallists – Ravi Bishnoi (Gold), Anantjeet Singh Naruka (Bronze), Maheshwari Chauhan (Bronze), Yashveer Singh (Silver).

Note on source: These notes are translated from an auto-transcribed Hindi lecture. Where the transcription was unclear (for example some spellings of names, a few numbers such as the contingent size, or Uzbekistan's silver count), the figure is given exactly as spoken and flagged. The lecture says the full lists of double-medal winners and all 85 medal winners are in the class PDF available on the State Academy Telegram channel. Thank you for joining; stay connected for more such topics.
