

COMMONWEALTH GAMES 2026 – GLASGOW

Complete Exam Notes (SSC CGL & other competitive exams)
(Full English notes prepared from the class lecture – no information omitted)

How to use these notes: Headings on a black bar are the most important sections. **Grey highlighted text** marks the facts most likely to be asked in exams. Everything in the lecture is covered, including the teacher's memory tricks.

1. WHY THIS TOPIC MATTERS

- The teacher says **everything** about Commonwealth Games 2026 must be remembered, and promises to teach it in about half an hour. Listen carefully and note every question.
- He says that **one or two questions from today's class will definitely come** in your exam.
- It is the **CGL paper**, held over many shifts. In some shifts the names asked will be easy and in others tougher – so go through **every name** at least once, along with each person's sport. At minimum, know all the **Gold** winners with their category/event (e.g. *Sharmila Dhankad – F57 category, Shot put, Gold; Mirabai Chanu – 48 kg category, Weightlifting, Gold; Dilip Gavit – 100 m, Para Athletics, Gold; Jasmine Lamboria – 57 kg category, Boxing, Gold*). Silver names such as Neeraj Chopra, Gulveer Singh and Lovepreet Singh are also important.

2. BASIC FACTS ABOUT CWG 2026

Particular	Details
Edition	23rd edition
Dates	23 July 2026 to 2 August 2026
Host city	Glasgow, in Scotland
Venue of the opening ceremony	Hydro Arena (the "venue")
Mascot	Finnie (spoken as "Funny/Finy") – a unicorn
Countries participating	Athletes from 74 countries
Number of sports	10 sports, including 6 para-athletics events
Indian athletes	122
India's biggest contingent	Athletics (then Boxing, Judo and Weightlifting)
Next edition	24th edition – Ahmedabad, Gujarat, India – 2030

The mascot – Finnie the unicorn

- The mascot is **Finnie** (a unicorn – the teacher describes it as a horse-like animal with a horn; soft-toy unicorns exist).
- The **unicorn is the National Animal of Scotland**, which is why it was chosen as the mascot.
- The mascot came about on the suggestion of **76 local schoolchildren** (the "mascot makers").

- Likely question: "What is the mascot of CWG 2026?" → Finnie (unicorn).

Games were smaller this time

- The **number of sports was reduced** this time – the Games were "smaller".
- **Shooting was NOT a sport** in these Games (nor was wrestling, as implied by the teacher: India's medals earlier mostly came in wrestling and shooting, which were not included this time).
- Had shooting been included, India would probably have finished 2nd or 3rd in the table, because India won very many medals this time in boxing and para-athletics.

3. CEREMONIES & FLAG-BEARERS

Ceremony	Person	Role
Opening ceremony	Mirabai Chanu (Olympic medallist)	Flag-bearer
Opening ceremony	Lovlina Borgohain (Olympic medallist)	Baton bearer
Closing ceremony	Jasmine Lamboria (won Gold in the 57 kg category)	Flag-bearer

- The **flame / torch (mashaal)** for the next Games: it was taken by **P. T. Usha** (spoken as "P. T. Moosa" and then corrected) – the current **head of the Indian Olympic Association**.
- **CWG 2030 (24th edition)** will be held in Ahmedabad, Gujarat, India.

Where the transcription was unclear (some name spellings, the "16 medals in one day" boxing remark against the listed 10, the sports of two Bronze medallists, and the para-athletes' categories), the facts are given as spoken and flagged. The lecture did not include practice questions. Thank you for studying.
